

FIREWALL EJECTOR SEAT v7.0 SOFTWARE LICENSE AGREEMENT

N2NHU Labs / MTOR Foundation
Effective Date: November 15, 2025
Version: 7.0

1. PARTIES

This Software License Agreement ("Agreement") is entered into between N2NHU Labs / MTOR Foundation ("Licensor") and the entity or individual purchasing or using the Software ("Licensee").

2. SOFTWARE DESCRIPTION

FIREWALL EJECTOR SEAT v7.0 ("Software") is a proprietary automated firewall migration platform that converts SonicWall firewall configurations to WatchGuard-compatible configurations through a 7-phase processing pipeline.

3. LICENSE TYPES AND PRICING

3.1 Single-Use License - \$100 USD

- **Scope:** One (1) SonicWall firewall device conversion
- **Device Binding:** Licensed to specific SonicWall serial number provided at purchase
- **Usage:** Unlimited conversion attempts for the same SonicWall device
- **Location Binding:** Licensed to specific WAN IP address provided at purchase
- **Support:** Email support for 30 days from purchase date

3.2 MSP/VAR License - \$1,000 USD

- **Scope:** Unlimited SonicWall firewall device conversions
- **Commercial Use:** Authorized for managed service provider and value-added reseller operations
- **Client Billing:** Licensee may charge end customers for migration services
- **Location Binding:** Licensed to MSP/VAR's primary business location WAN IP
- **Support:** Priority email and phone support for 12 months from purchase date

4. LICENSE GRANT

Subject to the terms of this Agreement, Licensor grants Licensee a non-exclusive, non-transferable license to use the Software solely for the purposes specified in the selected license type.

5. TECHNICAL OPERATION

5.1 Device-Specific Encryption

The Software employs three-factor decryption requiring:

- Licensed SonicWall serial number

- Licensed WAN IP address (real-time validation)
- Unique license keycode provided by Licensor

5.2 Network Validation

The Software validates the executing environment's WAN IP address against the licensed IP address in real-time. Migration output will only be generated when executed from the licensed network location.

6. RESTRICTIONS

Licensee shall NOT:

- Reverse engineer, decompile, or disassemble the Software
- Share, distribute, or sublicense the Software to third parties
- Use the Software from unlicensed network locations
- Attempt to bypass the device-specific or location-specific licensing controls
- Use Single-Use License for commercial MSP/VAR operations

7. INTELLECTUAL PROPERTY

7.1 Ownership

The Software, including all algorithms, processes, and proprietary methods, remains the exclusive property of Licensor. This Agreement grants only usage rights, not ownership.

7.2 Confidentiality

Licensee acknowledges that the Software contains trade secrets and proprietary information. Licensee agrees to maintain the confidentiality of all technical aspects of the Software.

8. WARRANTY AND DISCLAIMERS

8.1 Limited Warranty

Licensor warrants that the Software will perform substantially in accordance with documentation for 90 days from purchase date.

8.2 Automation Rate

Licensor represents that the Software achieves 95%+ automation for standard SonicWall configurations. Complex or heavily customized configurations may require manual completion of remaining items.

8.3 Disclaimer

THE SOFTWARE IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND. LICENSOR DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

9. LIMITATION OF LIABILITY

9.1 Maximum Liability

Licensor's total liability shall not exceed the license fee paid by Licensee.

9.2 Consequential Damages

IN NO EVENT SHALL LICENSOR BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS OR BUSINESS INTERRUPTION.

9.3 Network Security

Licensee acknowledges that firewall migration involves network security considerations and agrees to maintain appropriate backups and follow recommended deployment procedures.

10. SUPPORT SERVICES

10.1 Single-Use License Support

- Email support: support@mtorfoundation.org
- Response time: 48 hours during business days
- Duration: 30 days from purchase

10.2 MSP/VAR License Support

- Priority email support: priority@mtorfoundation.org
- Phone support during business hours: +1 (516) 300-3948 (please send SMS before calling)
- Response time: 4 hours for critical issues
- Duration: 12 months from purchase
- Emergency migration support available

11. COMPLIANCE AND AUDIT

11.1 Usage Monitoring

Licensor reserves the right to implement usage monitoring for compliance verification.

11.2 Audit Rights

Licensor may audit Licensee's use of the Software upon reasonable notice to ensure compliance with license terms.

12. TERMINATION

12.1 Automatic Termination

This Agreement terminates automatically upon breach of any material term.

12.2 Effect of Termination

Upon termination, Licensee must cease all use of the Software and destroy all copies.

13. EXPORT COMPLIANCE

Licensee agrees to comply with all applicable export control laws and regulations regarding the Software.

14. GOVERNING LAW

This Agreement shall be governed by the laws of [State/Country], without regard to conflict of law principles.

15. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement between the parties and supersedes all prior negotiations, representations, or agreements.

16. AMENDMENTS

This Agreement may only be amended in writing signed by both parties.

17. SEVERABILITY

If any provision of this Agreement is held invalid, the remaining provisions shall remain in full force and effect.

ACCEPTANCE

By purchasing, downloading, installing, or using the Software, Licensee acknowledges having read this Agreement and agrees to be bound by its terms and conditions.
